

Hot Desert Case Study:
Development of the Sahara (p30)

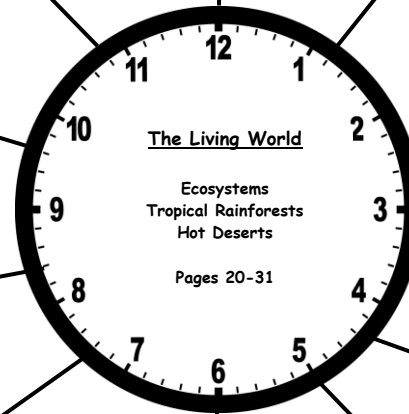

Desertification: Causes and strategies to reduce the risk (p31)

Ecosystems & Example of a small-scale UK ecosystem British Hedgerow (p20)

Global Ecosystems/Biomes (p21)

Hot Deserts:
Plant & Animal Adaptations and Low Biodiversity (p29)

Tropical Rainforests: climate, soil, plants, animals,
people, Interdependent Ecosystems (p22)

Tropical Rainforests:
Plant & Animal Adaptations
and Biodiversity (p23)

Hot Deserts: climate, soil, plants,
animals, people, Fragile
Interdependent Ecosystems (p28)

Tropical Rainforests: Sustainable Management (p26/27)

Tropical Rainforest Case Study:
Deforestation on the Amazon (p25)

Tropical Rainforests: Deforestation - Causes, Impacts
and Changing Rates of deforestation (p24)
