04.03.19	<u><i>Exam week – ensure all weaknesses are revised for</i></u>			

To help you revise each week you can do the following:

1. Read through the revision guide pages for each of the topics.
2. Make key notes on topics you struggle with.
4. Complete the exam practice question on the exam question link using your notes and the revision guide to help you.
5. Check your answer with the teacher.
