

KS3 Homework Timetable 2018-19

Students at Carter Community School are encouraged to become independent learners. We believe homework supports this. If, for any reason, homework is not set, students should complete self-quizzing from their knowledge organisers.

Core subjects – weekly homework. Humanities and CPA subjects will receive a weekly knowledge organiser homework and fortnightly extended piece of homework.

CPA Rotation Groups 4/5 have homework on the same day as the other CPA groups.
