Study Programme Summer 2019

How the Study Programme Works

- Your final day at school will be Friday 21.06.19.
- Attendance at all sessions is compulsory.
- Failure to attend sessions may lead to refusal to attend the school prom.
- There will be working breaks when students are in for extended sessions.
- In subjects where you take your exam early, you will use those lessons to prepare for other subjects – work will be provided for you.
- Sessions are in black type and **exams are in green.**

Rules for Exams and Study Sessions

- Full school uniform must be worn at all times.
- Ensure you are focused and concentrating throughout the session and use all the time you have available.
- A student who disrupts sessions will receive a sanction, this could lead to them losing their place at the school prom.
